

ROLCO AIR-FIX

AIR FIX IS AN INERT, MOISTURE AND OXYGEN FREE NITROGEN GAS. USE IT TO EXTEND THE LIQUID SHELF LIFE OF ANY SIZE, VARNISH, ENAMEL OR OIL BASED PAINT PRODUCT THAT DRIES BY OXIDATION.

WHEN STORING LESS THAN FULL CONTAINERS OF THESE OLEO RESINOUS PRODUCTS, A THREE SECOND SPRAY OF THE AIR FIX UNDER THE LID WILL FORCE OUT ORDINARY AIR AND REPLACE IT WITH THE NITROGEN GAS. THE CONTAINER LID MUST THEN BE QUICKLY CLOSED AND SEALED.

AIR FIX WILL NOT AFFECT THE PRODUCTS AS NITROGEN IS A LIGHT INERT GAS THAT IS ODORLESS, TASTELESS, NON-TOXIC AND NON-FLAMMABLE. IT'S OTHER USES ARE TO DRY PHOTOGRAPHIC FILM, PURGING OF LINES OR OTHER CONTAINERS WHEREVER MOISTURE-FREE ATMOSPHERE IS DESIRED.

THE CONDITIONS AND USE OF THIS PRODUCT ARE BEYOND ROLCO'S CONTROL. DIRECTIONS, INFORMATION, PERFORMANCE AND RESULTS WHEN USED ALONE OR WITH PRODUCTS OF OTHERS ARE WITHOUT WARRANTY OR GUARANTEE, EXPRESSED OR IMPLIED.
